It is estimated that a million and a half will have been spent on this site when the various structures built and building are com-

The President of the National Museum, Lord Pontypridd, read an address in which grateful reference was made to the fact that the King had committed to the charge of the Museum the unique Dolgelly chalice and patten.

### HIS MAJESTY'S SPEECHES.

The King read the following reply:— I thank you for your loyal and dutiful address and for your generous references to Majesties' visit to Yorkshire:my dear father's interest in the progress and welfare of the people of Wales. It is a to Wentworth, tea at Conisborough Castle, arrive Queen Alexandra a cordial reception. At the such considerations. less than a year ago since it was my privilege return to Wentworth. to lay the first stone of your National Library future efforts. The two institutions will endure as companion monuments of the genius of the Welsh people, and, as the National Library is to rise on the shores of REMARKABLE Cardigan Bay in the midst of the mountains which were the theatre of so many of the stirring events of your history, so it is fitting that the National Museum should find a home where thriving industries and worldwide commerce proclaim that Welsh enterprise and energy are as successful to-day in the rivalries of peace as they were of old on the field of battle. The building which
